No Outsiders: We Belong Here Andrew Moffat, 2024-04-18. What does modern Britain look like and how do we prepare our children for life in an ever changing world? We want children to be able to live and work anywhere and with anyone without fear and without judgement. Schools need a strong confident framework where young people are taught to explore and value their own identities and the identities of others. *No Outsiders* is a whole school ethos teaching children that everyone is different and everyone belongs; there are no outsiders at our school because everyone is welcome. Using this book and a common language threaded throughout the school, we can work to challenge prejudice in wider society. The book includes 43 lesson plans and assembly ideas. A framework to deliver an inclusive curriculum built around picture books written for children aged 4-11, many of which will already be in school libraries. The stories of Head Teachers speaking of their journeys, challenges and successes. Innovative ways to keep parents informed and involved. Steeped in current practice and easy to implement in your school. *No Outsiders: We Belong Here* expands the *No Outsiders* collection with a wealth of new lesson plans and will be an essential resource for primary school teachers, school leaders and teacher training providers.

Using Images to Teach Critical Thinking Skills Diane M. Cordell, 2015-11-10. Learn how to teach visual literacy through photography, an easy way for you to combine student interest with resources at hand to enhance a key learning skill.
