Immigration Procedures Handbook, 2009 *Fiance and Marriage Visas* Ilona Bray, 2025-07-11 The guide that's helped thousands of binational couples unite in the U.S. If you're engaged or married to a U.S. citizen or permanent resident, you probably deserve a U.S. immigrant visa or green card. But the U.S. government doesn't make it fast or easy. The paperwork can be intimidating; getting personal help from officials is nearly impossible, and delays are inevitable. Fortunately, this easy-to-use guide puts all the information you need in one place. *Fiance Marriage Visas* helps you make sure you are truly eligible for a U.S. green card and then plan the fastest and best application strategy, whether you're engaged or already married and living in the U.S. or overseas. You'll be able to confirm you won't face legal barriers to immigrating, plan the best application strategy, for example, adjustment of status vs. consular processing, collect, prepare, and manage the required forms and paperwork, prepare for interviews with U.S. officials, prove your marriage is the real thing, not a sham, deal with the two-year testing period for new marriages, and find out what to do if your application is delayed or denied. Plus, *Fiance Marriage Visas* gives you helpful advice on protecting and renewing your green card status. It also provides samples of essential forms to guide you. This edition is updated with the latest fees, sample forms, and application procedures. **U.S. Immigration Made Easy** Ilona Bray, 2025-03-07

Green cards, visas, and more. What every immigrant needs to know. Want to live, work, or travel in the United States? U.S. Immigration Made Easy has helped tens of thousands of people get a visa, green card, or other immigration status. You'll learn whether you and your family qualify for a short-term visa, permanent U.S. residence, or protection from deportation; how to obtain, fill out, and submit the necessary forms and documents; insider strategies for dealing with bureaucratic officials, delays, and denials; ways to overcome low income and other immigration barriers; and how to select the right attorney. U.S. Immigration Made Easy provides detailed descriptions of application processes and helps you avoid traps that might destroy your chances. There's also an immigration eligibility self-quiz which helps you match your background and skills to a likely category of visa or green card. The 22nd edition is updated to cover legal and fee changes through January 1, 2025. The book's companion page on the Nolo website will provide complementary information as further changes occur. This book does not cover naturalization. If you're interested in U.S. citizenship, see Nolo's *Becoming a U.S. Citizen*.
