**Escaping Chaos** Grace Hamilton, When the lines between friend and foe are blurred life and death hang in the balance Life at the Pasqualee island vineyard has settled into a new normal after the EMP attack Cut off from the dangerous mainland Elna has succeeded in securing the small group s basic necessities in their new post apocalyptic world The island s become if not exactly a paradise at least a safe and secure shelter where they can ride out the devastation for the foreseeable future Until a vicious fall storm sends newcomers careening onto their shores The sailor and his young son were on their way north to an experimental clinic for vital medication when the storm blew their sailboat off course They need to make repairs and try again to reach it or the gravely ill boy will die When Elna discovers her father has run out of heart medication she volunteers to join the small group and set sail with the frantic sailor in his weakened son s stead Yet the way is treacherous by both land and sea When the sailors are forced to abandon the boat far from their destination their travels inland are impeded by injury until a Good Samaritan volunteers to help protect and guide them safely to the clinic But safety is out of the question when the valuable goods they hoped to trade for medicines are discovered and it becomes a deadly fight to claim them Now it s a race to reach the facility before more lives are threatened And time runs out
