Ethical Guidelines By Richard DeGeorge:

Ethics in an Era of Globalization M. S. Ronald Commers, 2016-12-05 This much needed volume represents all that is new in the field of global ethics It recognizes the emergence of the search to move beyond relativism and the study of ethical aspects of globalization acknowledging aspects of globalization that make ethical reasoning itself a challenging task As such the young field of global ethics is a search for new approaches and methodologies that go beyond existing ones and succeed in addressing these ethical issues of globalization This volume presents these new developments focusing specifically on how to re conceive ethics in order to come to grips with ethical and political life today It sets out an agenda for the field of global ethics addresses the critiques and illustrates the rapprochement of global ethics This is a valuable collection of essays that connect theoretical innovation with substantive issues in the public realm and hence is suitable for a wide audience across philosophy politics international relations and development studies

Values, Nature, and Culture in the American Corporation William C. Frederick, 1995-09-21 In *Values Nature and Culture in the American Corporation* distinguished ethicist William Frederick explores issues of fundamental importance to all who aspire to conduct their business affairs ethically He begins with an examination of the three value systems in business that are basically incompatible and therefore in constant tension The first is the need for managers to efficiently allocate resources for maximum profits The second is the natural tendency for managers in pursuit of the first goal to accumulate power for its own sake The third is the desire for people in the community to create relationships that will perpetuate these communities Frederick brings in a range of ideas and concepts from the social sciences as well as the natural sciences to illuminate his discussion In the final section of the book he explores a range of issues of current concern to managers including corporate culture and technology

Business Ethics Richard T. De George, 2010 For courses in Business Ethics Moral Issues in Business Social Issues in Business Business and Society International Business Ethics and Issues in International Business This systematic integrated investigation of the field of business ethics is presented from an informed philosophical point of view It argues that ethics is the glue as well as the oil that makes business possible addressing the full gamut of issues from such macro considerations as the moral justification of economic systems to such micro issues as proper computer use by employees

Ethics in Human Communication Richard L. Johannesen, 2002

Business in Ethical Focus: An Anthology - Second Edition Fritz Allhoff, Alexander Sager, Anand J. Vaidya, 2016-12-20 *Business in Ethical Focus* is a compilation of classical and contemporary essays and case studies in business ethics Readers will become acquainted with seminal ideas on corporate social responsibility and the place of business in a just society Other topics include diversity in the workplace sexual harassment workplace rights environmental responsibility and sustainability global business intellectual property bribery and ethical issues in advertising and marketing This second edition adds a dozen original case studies as well as new sections on global perspectives with articles on Islamic Confucian and Buddhist business ethics entrepreneurship and the non profit sector

Background material on ethical theory and the nature of business ethics is included to orient readers new to this field

Business Ethics, 2/e A.C. Fernando, 2009 *Business Ethics An Indian Perspective* provides a comprehensive coverage of the theories of business ethics and emphasizes the importance of ethical principles in overcoming moral dilemmas in the business world Using a large number of India centric case studies and examples this book helps readers develop the reasoning and analytical skills needed to apply ethical concepts to business *Business Ethics* Richard T. De George, 1990

Business Ethics and Corporate Governance Fernando A.C., 2010-09 *Business & Society* Archie B. Carroll, Ann K. Buchholtz, 2000 *Business and Society Ethics and Stakeholder Management* uses numerous case histories to help you focus on the relationships between business and society stakeholders You will thoroughly examine major stakeholder groups and individuals such as the government consumers the environment communities employees and owners as well as ethical and strategic considerations Once again author Archie Carroll has woven cutting edge research into an easy to read

understandable presentation **Business Ethics 08/09** John E. Richardson, 2006 This text presents a selection of articles from the public press that examine ethics values social responsibility in business ethical social environmental issues affecting global workplaces social responsibility in the marketplace **Ethics in Technical Communication** Michael Markel, 2001

Drawing on theories of ethics from Aristotle through Foucault and on the research literature the director of technical communications at Boise State U explores the relationship between ethics and the rhetoric used by technical communication professionals in developing his own ethical decision making approach This sensitively realistic approach is then applied to issues and cases with analyses e g of the Intel Pentium case of five topics of interest to those in this field truth telling in product information liability and the duty to instruct and warn multicultural communication and ethical relativism intellectual property and codes of conduct **Biblical Principles and Business** Richard C. Chewning, 1990 **Business Ethics**

Andrew Ghillyer, 2008 This book provides assistance to employees by taking a journey through the challenging world of business ethics at the ground level of the organization rather than flying through the abstract concepts and philosophical arguments at the treetop level By examining issues and scenarios that relate directly to their work environment and their degree of autonomy in that environment employees can develop a clearer sense of how their corporate code of ethics relates to operational decisions made on a daily basis **Managing Business Ethics** Linda K. Trevino, Katherine A. Nelson, 2007

This text moves beyond the scope of prescriptive individual ethical decision making to examine how managers and organizations influence ethical decision making and behavior It helps readers understand why people behave the way they do and how managers and corporations can positively influence the behavior of employees and improve the ethical decision making capabilities of their employees Throughout the emphasis is on common real life work situations including hiring managing assessing performance disciplining firing and providing incentives for staff as well as producing quality products and services and dealing effectively and fairly with customers vendors and other stakeholders **Scholarly Publishing**

,1993 A journal for authors and publishers **The IEBM Handbook of International Business** Rosalie Lam Tung,1999
This handbook provides accessible reference information on all aspects of global business and management focusing on
current and future practice **Ethics, Morality, and the Media** Lee Thayer,Richard L. Johannesen,Hanno Hardt,1980
 Great Careers Devon Smith,1990 **Moral Issues of the Marketplace in Jewish Law** Aaron Levine,2005 **Ethics
and the Conduct of Business** John Raymond Boatright,2003 This comprehensive and balanced book gives a thorough
treatment of the most prominent issues of business ethics and the major positions and arguments on these issues An
abundance of case studies help illustrate topics such as whistle blowing discrimination and affirmative action occupational
health and safety ethics in finance and ethics in international business For professionals in the field who want an up to date
discussion of the most prominent issues of business ethics
