Award Winning Investing:

The Only Guide to a Winning Investment Strategy You'll Ever Need Larry E. Swedroe, 2005-01-01 Investment professional Larry E Swedroe describes the crucial difference between active and passive mutual funds and tells you how you can win the investment game through long term investments in such indexes as the S P 500 instead of through the active buying and selling of stocks A revised and updated edition of an investment classic The Only Guide to a Winning Investment Strategy You ll Ever Need remains clear understandable and effective This edition contains a new chapter comparing index funds ETFs and passive asset class funds an expanded section on portfolio care and maintenance the addition of Swedroe s 15 Rules of Prudent Investing and much more In clear language Swedroe shows how the newer index mutual funds out earn out perform and out compound the older funds and how to select a balance passive portfolio for the long haul that will repay you many times over This indispensable book also provides you with valuable information about The efficiency of markets today The five factors that determine expected returns of a balanced equity and fixed income portfolio Important facts about volatility return and risk Six steps to building a diversified portfolio using Modern Portfolio Theory Implementing the winning strategy and more

The Winning Investment Habits of Warren Buffett & George Soros Mark Tier, 2013-09-17 Warren Buffett Carl Icahn and George Soros all started with nothing and made billion dollar fortunes solely by investing But their investment strategies are so widely divergent what could they possibly have in common As Mark Tier demonstrates in this insightful book the secrets that made Buffet Icahn and Soros the world s three richest investors are the same mental habits and strategies they all practice religiously However these are mental habits and strategies that fly in the face of Wall Street s conventional mindset For example Buffett Icahn and Soros do not diversify When they buy they buy as much as they can They re not focused on the profits they expect to make Going in they re not investing for the money at all They don t believe that big profits involve big risks In fact they re far more focused on not losing money than making it Wall Street research reports They never read them They re not interested in what other people think Indeed Buffett says he only reads analyst reports when he needs a laugh In The Winning Investment Habits of Warren Buffett George Soros you can discover how the mental habits that guided your last investment decision stack up against those of Buffett Icahn and Soros Then learn exactly how you can apply the wealth building secrets of the world s richest investors to transform your own investment results
