This book heightens readers awareness of the importance of emotional intelligence and how it impacts our lives. It inspires parents, teachers and school leaders to learn more about emotional intelligence as a process of self improvement, relational skills and to help our students to develop emotional intelligence from an early stage of their lives. There are four parts in the book. Part 1 explains the importance of emotional intelligence in every aspect of our lives. It presents models and theories of emotional intelligence and explains how our emotions control our mind, body and spirit. Part 2 gives insights into how emotions play a significant role in our relationships with others.
