create lasting success in your career      *How to Sharpen Your Managerial Skills - Good Management and Leadership Skills for Aspiring Managers* Meir Liraz, 2017-12-25 Here's How to Substantially Improve Your Management Skills This book features hundreds of tips, strategies and clever techniques to help you improve your personal management skills. It points out that you must be a leader that people follow, keep informed, make timely decisions and take effective action. In effect, you must control the activities of your organization rather than being controlled by them. Here's what's in the book: How to lead and manage people, powerful tips and strategies to motivate and inspire your people to bring out the best in them. Be the boss people want to give 200 percent for. How to improve your personal effectiveness, save hours of time with these practical tips and techniques for organizing your time and workload. Tips to improve your planning abilities, think ahead to get ahead. How to develop yourself, simple to follow self-development tips and strategies. How to set and achieve goals. How to better manage yourself, tips and tactics to unleash your hidden potential. How to make the right decisions, an effective 7-step decision-making formula that will help you make decisions with unshakable confidence even when you're still not sure. It's easy and really works. How to handle stress the easy way, eleven sure-fire ways to make the stress in your life work for you instead of against you. How to solve problems as a manager, you deal with problems and crisis situations on an almost daily basis. As a matter of fact, the way you handle such situations can make or break you. Here's an effective, easy-to-implement 9-step strategy that will help you solve problems like magic. How to conduct successful meetings the easy way. All these and much, much more. My name is Meir Liraz and I'm the author of this book. According to Dun Bradstreet, 90% of all business failures analyzed can be traced to poor management. This is backed up by my own experience. In my 31 years as a business coach and consultant to managers, I've seen practically dozens of managers fail and lose their job, not because they weren't talented or smart enough, but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work. And that is where this book can help; it will teach you how to avoid the common traps and mistakes and do everything right the first time.
