Readers Choice Digital Literacy:

The Digital Reading Condition Maria Engberg,Iben Have,Birgitte Stougaard Pedersen,2022-12-30 This volume offers a critical overview of digital reading practices and scholarly efforts to analyze and understand reading in the mediatized landscape Building on research about digital reading born digital literature and digital audiobooks The Digital Reading Condition explores reading as part of a broader cultural shift encompassing many forms of media and genres Bringing together research from media and literary studies digital humanities scholarship on reading and learning as well as sensory studies and research on multimodal and multisensory media reception the authors address and challenge print biased conceptions of reading that are still prevalent in research whether the reading medium is print or digital They argue that the act of reading itself is changing and rather than rejecting digital media as unsuitable for sustained or focused reading practices they argue that the complex media landscape challenges us to rethink how to define reading as a mediated practice Presenting a truly interdisciplinary perspective on digital reading practices this volume will appeal to scholars and graduate students in communication media studies new media and technology literature digital humanities literacy studies composition and rhetoric

Young Adult Literature, Libraries, and Conservative Activism Loretta M. Gaffney,2017-02-01 This incisive study analyzes young adult YA literature as a cultural phenomenon explaining why this explosion of books written for and marketed to teen readers has important consequences for how we understand reading in America As visible and volatile shorthand for competing views of teen reading YA literature has become a lightning rod for a variety of aesthetic pedagogical and popular literature controversies Noted scholar Loretta Gaffney not only examines how YA literature is defended and critiqued within the context of rapid cultural and technological changes but also highlights how struggles about teen reading matter to and matter in the future of librarianship and education The workbridges divides between literary criticism professional practices canon building literature appreciation genre classifications and recommendations standard histories and commentary It will be useful in YA literature course settings in Library and Information Science Education and English departments It will also be of interest to those who study right wing culture and movements in media studies cultural studies American studies sociology political science and history It is of additional interest to those who study print culture publishing and the book histories of teenagers and research on teen reading Finally it will offer those interested in teenagers literature libraries technology and politics a fresh way to look at book challenges and controversies over YA literature
