### **Think on Your Feet: Tips and Tricks to Improve Your Impromptu Communication Skills on the Job** Jen

Oleniczak Brown, 2019-11-08. Think on Your Feet is a helpful maven's guide ideal for anyone who views a podium with fear and trembling. Publishers Weekly. Get out of your own way. Our professional lives are full of situations outside of our control. A job interviewer asks a question out of left field. A coworker puts you on the spot in front of the boss. Your PowerPoint presentation crashes at a critical moment. Most people react to the unexpected with anxiety and unease. We get rattled, stumble over our words, and overthink the situation. Others though handle it with self-assurance and aplomb. They gain a sense of empowerment and energy when the pressure is on. Like great improv actors, they're able to think on their feet. The great thing is improv isn't about winging it or flying by the seat of your pants. Improv at its core is about listening and responding. It's based on rules and techniques and it taps directly into your soft communication skills. By incorporating it into your prep work for professional situations, you'll learn how to retrain your brain for the unexpected and get out of your own way in those unexpected and expected professional situations. Practicing improv isn't about being funny. Instead, it's about developing the mental agility to spin any surprise in your favor and to communicate with confidence. Filled with engaging improv activities, this interactive guide will ensure you never come away from a tough moment pondering the woulda, coulda, shoulda again. You'll learn how to nurture your personal style for communicating in every professional situation. From effective listening in the office, giving presentations and leading meetings to negotiating a raise, acing an interview, and more, you'll start communicating with confidence and stop letting the unexpected hold you back. Take your workplace communication and your career to the next level by mastering the art of Thinking on Your Feet. *Leadership Basics for Frontline Managers* Bill Templeman, 2014-03-05.
