## **Forensic Linguistics An Introduction To Language Crime And The Law:**

**Forensic Linguistics** John Olsson, 2008-03-31 First published in 2004 John Olsson's practical introduction to Forensic Linguistics has become required reading for courses on this new and expanding branch of applied linguistics. This second edition has been revised and updated throughout and includes new chapters on language in the justice system, forensic transcription and expanded information on forensic phonetics. The book includes an appendix of forensic texts for student study exercises and suggestions for further reading. This unique hands-on introduction to Forensic Linguistics based on Olsson's extensive experience as a practising forensic linguist is essential reading for students and researchers encountering this branch of applied linguistics for the first time. *Forensic Linguistics* John Olsson, June Luchjenbroers, 2013-12-05 Now in its third edition John Olsson's practical introduction to forensic linguistics is required reading for students of language and the law. This third edition has been revised, expanded and updated throughout and includes new chapters on identifying forensic texts and important interactional aspects of the language used in legal contexts. There is also a substantial chapter on forensic phonetics by Harry Hollien, a world renowned forensic phonetician. The book includes an appendix of forensic texts for student study and even more exercises and suggestions for further reading. This practical introduction to forensic linguistics is based on Olsson's extensive experience as a practising forensic linguist and as lecturer on dozens of courses worldwide. Olsson's work has been successfully combined with Luchjenbroers' research into the language used to and by criminals, witnesses and legal professionals to become essential reading for students and researchers encountering this branch of applied linguistics for the first time. **Forensic Linguistics** John Gibbons, 2003-01-31 Forensic Linguistics is an introduction to the fascinating interface between language and the law. Provides an integrated and fully theorized understanding of language and law issues. Contains many helpful examples from genuine legal contexts and texts. Discusses linguistic sources of disadvantage before the law, particularly for ethnic minorities, children and abused women. *The Routledge Handbook of Forensic Linguistics* Malcolm Coulthard, Alison Johnson, 2010-03-30 Forensic linguistics is the study of language and the law, covering topics from legal language and courtroom discourse to plagiarism. This book deals with the ideas, debates, topics, approaches and methodologies in forensic linguistics. It is suitable for undergraduates and postgraduates.
