quite as straightforward as it is supposed to be Particularly when a second man turns up dead purportedly shot with his own pistol Set against the backdrop of the Great War and infused with a sense of intrigue and high drama this is a novel of unsettling force With a keen eye for detail Oldman evokes the brutality of mud splattered battlefields and aerial combat bringing the reader right up close to the action As events spiral and the war continues to impact upon the investigation peril and suspense combine to create a real sense of unease and urgency leading towards an unexpected and fascinating conclusion **Fortress Europe** ,1992 Details the German attempts to repel the Allies on the Western Front **World War II** Spencer C.
