**Fostering Social Justice through Qualitative Inquiry** Corey W. Johnson, Diana C. Parry, 2016-06-16 Qualitative researchers increasingly flock to social justice research to move beyond academic discourse and aid marginalized communities and groups This is the first textbook to address the methods of conducting qualitative research using a social justice paradigm The book addresses the differences that a social justice stance requires from the researcher then discusses how major qualitative methodologies are employed to create social justice in both the process and products of qualitative research In this book chapters cover grounded theory phenomenology ethnography participatory action research and other key qualitative designs methods chapters are written by experts in that methodology case studies illustrate show this style of research in action material is tightly organized and edited for course use although there are multiple authors Fostering Social Justice Through Qualitative Inquiry Corey W. Johnson, Diana C. Parry, 2015 This is the first comprehensive textbook to address the various methodologies of conducting qualitative research using a social justice paradigm **Fostering Social Justice Through Qualitative Inquiry** Corey W. Johnson, Diana C. Parry, 2022 Fostering Social Justice Through Qualitative Inquiry Second Edition addresses the differences that a social justice stance requires from the researcher then discusses how major theories and qualitative methodologies are employed to create social justice in both the process and products of qualitative research **Fostering Social Justice Through Qualitative Inquiry** Corey W. Rights and Social Justice in Research Kathryn McGarry, Ciara Bradley, Gloria Kirwan, 2024-01-30 Can our research create conditions for people to flourish What kinds of questions do we ask about the social world and how knowledge is produced Does our approach to research itself matter This edited collection explores and illustrates the nature of research for social justice Drawing on a diverse range of social research projects it examines research with and for young people marginalised communities and those who work to further social justice and human rights goals Providing key examples of the tools processes and outcomes of research relevant to social justice including where and how these frameworks can be used in the design and execution of research this is a much needed intervention to social research methodology **Social Justice Research Methods for Doctoral Research** Throne, Robin, 2021-12-10 Doctoral researchers are increasingly focusing on the social justice aspects of dissertation research problems and are often uncertain on how to incorporate societal change issues within a dissertation format Due to the current climate this interest in social justice is likely to continue to increase Many aim to affect change within their discipline workplace or communities as they conduct dissertation research across doctoral program areas Social Justice Research Methods for Doctoral Research presents contemporary social justice research method strategies and incorporates the aspects of social justice into research design This major reference work illustrates how why and where to incorporate conventional and creative social justice research methodologies across both qualitative and quantitative approaches from various theoretical and conceptual perspectives Covering topics such as

community based research educational leadership and cancel culture this book serves as a dynamic resource for researchers post graduate students researcher supervisors librarians methodologists research program developers and education administrators

**Critical Reflexive Research Methodologies** ,2023-11-07 While all oppressions are equal some are more equal than others This statement borrowed from George Orwell s Animal Farm and written and marinated to fit within and without our call for ethical research helps us to see how contemporary research processes are singular and fail to account for the complex histories realities and values of marginalized communities Such a failure to account and re member has had massive symbolic and material consequences on marginalized communities illustrated by the number of deaths we continue to witness everyday Those deaths have been sanctioned and authorized by the ways in which we come to know what we know and how that is imprinted in our policies and everyday existence This book looks at knowledge production as a process of giving an account of those losses in ways that help knowledge production to be a mechanism of remembering cognitive and re membering communi ity or bring together solidarity a form of epistemological and ontological demonstration Ethical knowledge production becomes a process of relationship that remembers the histories values and realities of people in ways that are transformative and political Such an expression fails to arrive at an end and rather recognizes knowledge production as endless production of knowledge Such a process goes against neoliberal mechanism of commodifying knowledge for sale in the market This edited collection attempts to engage with current qualitative research methodologies and approaches from a critically and ethically reflexive standpoint This work seeks to unravel colonial practices that continue to hide within qualitative approaches in ways that invite a new reimagining of working within and without qualitative method ologies This edited collection therefore seeks to bring to the fore the lived experiences of the studied to their storied life in ways that are ethically and politically congruent This work therefore seeks to bring forth Foucault s subterranean narratives steeped in contexts and experiences that can critically invert the dominant colonial capitalist state practices in existing research
