The Bible's Answers to 100 of Life's Biggest Questions Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell

Epicenter Study Guide Joel C. Rosenberg, 2016-01-05 The politics of the Middle East can be murky and confusing But one thing is increasingly certain The eyes of the nations are riveted upon Israel and her neighbors the epicenter of the momentous events shaking our world and shaping our future What does the future hold How will it affect your world The Epicenter Study Guide can be used along with Joel Rosenberg's best selling book Epicenter as well as the Epicenter DVD to help demystify the events happening around the world This study guide is designed to facilitate group discussion but can also be used for individual study The study guide is divided into chapters to correlate with the chapters in Epicenter You'll find helpful excerpts and Scripture references The guide provides an easy to use workbook format that allows you to write directly in the book plus offers additional space for study notes

The Proven God Thomas W. Balderston, 2011 Philosophers scientists and Atheists seem to have a tendency toward avoiding God in positing their premises However Divine Law should not be excluded from analysis In actuality God And The Bible have played more of a role in the education and development of the minds of major thinkers than you might think In the Proven God Balderston suggests that the Big Bang Theory and other scientific and philosophical conventions are influenced by the Divine and indicative of the Truth God is real Denial of God too often reigns supreme and For The wrong reasons Through an exploration of the centuries greatest thinkers eyes will open To The farce that is a reality without God who is the cause of all we enjoy and who provides our enlightenment In an interesting analysis of a broad range of philosophical viewpoints Balderston explores those who have converted from being an atheist non believer to being Christian and maintained their logic The book concludes with advice on how to live with doubt An issue that is pervasive For The believer And The non believer alike Through our own doubts we experience our existence and understand our purpose Allow this read to awaken you to a new enlightenment and age of reason a clarification and understanding of modern thinking And The attributes of the Divine
