Syllabus for a Course in Literature for Children Detroit Teachers College,1928 **Muthos** Loren D. Marsh,2021-04-12 This book presents a new analysis of Aristotle s concept of narrative in the Poetics Arguing that the term muthos in the Poetics cannot be understood as equivalent to plot Marsh shows that the muthos concept is instead a useful tool for grouping larger sets of narratives based on specific criteria The results of this muthos analysis indicate that in the classical period neither formal structure nor the structure of events was determined by theatrical genre but by the specific combination of tone and plot type Marsh concludes that the category of genre itself may be less helpful for classifying these plays than is typically assumed

Know Much About® Mythology Kenneth C. Davis,2009-12-29 In this fascinating installment of the New York Times bestselling Don t Know Much About series Kenneth C Davis explores the great myths of the world and their implications for art science religion and culture throughout history What is an Egyptian pyramid doing on the U S dollar bill Did a pharaoh inspire Moses to worship one God What s a Canaanite demoness doing at a rock concert Since the beginning of time people have been insatiably curious They ve asked questions about where we come from why the stars shine and the seasons change and what constitutes evil The imaginative answers crafted by our ancestors have served as religion science philosophy and popular literature In an engaging and delightfully irreverent question and answer style Davis tackles the epic of Gilgamesh Achilles and the Trojan War Stonehenge and the Druids Odin Thor and the entire Norse pantheon Native American myths and much more including the dramatic life and times of the man who would be Buddha From Mount Olympus to Machu Picchu here is an insightful lively look at the greatest stories ever told *In the Beginning* Bernard F. Batto,2013-05-01

Bernard F Batto spent the bulk of his career examining the ancient Near Eastern context of the Hebrew Bible with particular interest in the influence of the surrounding cultures on the biblical creation stories This collection gathers six of his most important previously published essays and adds two new contributions Among the essays Batto identifies various creation motifs prevalent in the ancient Near East and investigates the reflexes of these motifs in Genesis 1 11 and other biblical accounts of the primeval period He demonstrates how the biblical writers adapted and responded to the creation ideas of Mesopotamia Egypt Ugarit and elsewhere The articles in the volume were written as independent essays Nevertheless they are united by theme Throughout Batto makes clear his understanding of the Hebrew Bible as a patently unique text yet one that cannot possibly be understood independent of greater cultural sphere in which it developed In the Beginning will serve as an indispensable resource for those interested in both the biblical ideas of creation and the mythology of the ancient Near East that influenced them

The Top Books of the Year Myth Retelling For Beginners The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Myth Retelling For Beginners : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
