Droit Soci T S Florence Deboissy:

Introduction to French Law George A. Bermann, Etienne Picard, 2008-01-01 French law displays many characteristics that set it apart in a world class of its own It can be said to proceed from a number of independent streams that coexist despite apparent contradiction More than half of the 2283 articles of the famous Code Civile of 1804 remain unaltered yet French administrative judges jealously guard their prerogative to create their own public law And yet again since the 1974 law empowering the legislature to convene the Constitutional Council that judges the constitutionality of laws under the 1958 Constitution the courts distinction between rules and fu

European Corporate Law Adriaan F.M. Dorresteyn, Christoph Teichmann, Erik Werlauff, Tiago Monteiro, Nadia Pocher, 2016-04-24 This fully updated new edition provides the best known practical overview of the law regarding companies business activities and capital markets in Europe at both the European Union EU and Member State levels It incorporates analysis of recent developments including the impact of global initiatives in such aspects of the corporate environment as regulation of financial institutions and non financial reporting obligations with a view to sustainability and other social responsibility concerns The authors all leading experts in European corporate law describe current and emerging trends in such areas of corporate law practice as the following rules on cross border mergers employee involvement in business activities the initiatives by the Organisation for Economic Co operation and Development OECD and the EU to curb tax avoidance Member States implementation of EU legislation a company s freedom to incorporate in a jurisdiction not its own competition among the legal forms of different Member States and safeguarding of employee involvement in cross border transactions With respect to national law the laws of Belgium France Germany the Netherlands Poland Spain and the United Kingdom are taken into account Italy is now included in this new edition As in earlier editions the authors demonstrate that analysis and comparison of national corporate laws yield highly valuable general principles and observations not least because business organizations wherever located tend to show a fundamentally similar set of legal characteristics The Third Edition will continue to be of great value to practitioners and academics who wish to acquire a better understanding of European corporate law in its supranational dimension as well as in the similarities and differences among the various national legal systems

Foundations of Property Law Christian von Bar, 2023-08-10 Foundations of Property Law Things as Objects of Property Rights is an abridged translation of the first volume of Christian von Bar s Gemeineurop isches Sachenrecht a milestone in European private law theory and in comparative property law more broadly Radical in content and scope the English version examines the dynamics of interaction between the objects contents and holders of property The conceptual framework of property law is presented as a domain of erga omnes monopoly rights that govern the relationship between persons and objects of value Within that framework a reciprocal relationship is illustrated between property rights and their objects property rights play a role in constituting the very objects things in which they are held With comprehensive comparative analysis insights are gleaned from all the jurisdictions of the

European Union and the United Kingdom presenting a critical evaluation of property law systems in both Common and Civil Law traditions This book joins all the national legal systems in a single inquiry treating their traditions and arguments with the respect they deserve and taking advantage of the knowledge embodied in the diversity of European private law A scholastic work offering deep and unique insights into the European property law systems Foundations of Property Law will quickly become a go to resource for anyone interested in European private law and comparative property law Managers in European Law Natalie Videbæk Munkholm,Vicenzo Pietrogiovanni,Karsten Engsig Sørensen,2024-02-08 Business organisations depend on having one or more persons who can legitimately make strategic business decisions But what are the legal entitlements of such key professionals This is the first book with contributions from experts across Europe to take a broad comparative look at how the delimitation of rights and duties of executive and non executive managers is done under different areas of EU law and across different jurisdictions namely EU and national law Aspects of the executive role covered include the following extensive treatment of definitions and methodologies to ascertain the status of managers as workers in Europe comprehensive interdisciplinary and comparative analysis of cross cutting issues affecting managers in Europe including complexities arising from national variations in governance structures and roles and functions of managers comprehensive analysis of cases before the European courts with full awareness of applicable rules distinction between registered front directors and those who act as de facto managers how employees and to some degree other stakeholders may be involved in management trends in current EU law that increase the need to protect managers trends that increase the need to hold managers liable right to inter alia information and consultation occupational health and safety non discrimination and free movement and recognition that managers may not necessarily be powerful professionals with strength vis vis the company as employer According to EU statistics in 2019 nearly 9 4 million persons held a managerial position across the EU s Member States meaning that many managers currently can no longer inherently be considered unworthy of employment protection The legal status of these individuals thus cannot be sidestepped This very important volume accordingly will be of value to practitioners policymakers and academics in employment and labour law **Droit canadien des entreprises à mission** Ivan Tchotourian,Benjamin Rousse,Mathilde Chouinard,2024-09-11T00:00:00-04:00 Les entreprises mission remettent en question la raison d'être des entreprises vivant en système capitaliste La présente contribution d'Ivan Tchotourian de Mathilde Chouinard et de Benjamin Rousse a pour grand mérite d'expliquer le cadre juridique dans lequel les entreprises mission se sont inscrites dans la quatrième vague multiforme des propositions de réinvention du capitalisme **Yearbook of Islamic and Middle Eastern Law, Volume 13 (2006-2007)** Eugene Cotran,Martin Lau,2008-12-23 Practitioners and academics dealing with the Middle East can turn to the Yearbook of Islamic and Middle Eastern Law for an instant source of information on the developments over an entire year in the region The Yearbook covers Islamic and non Islamic legal subjects including the laws themselves of some twenty Arab and other Islamic
