Summary of Bill Pittman's Drop the Rock Everest Media, 2022-05-28T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Step Six is the step that separates the men from the boys It requires us to stop struggling and become entirely ready to become willing We must relax and turn to our Higher Power with confidence We must believe that God will remove our defects 2 Step Six is to ask ourselves if we want to give up our defects We must

surrender our ideas of which defects stand in the way of our usefulness to God ourselves and others We must trust that Step Seven follows 3 We must realize that we can't change ourselves completely by ourselves We must ask God to remove our character defects and He will We must realize that we are truly bodily and mentally different than our peers 4 We can choose to be winners securely and absolutely or we can choose to be losers only enough to get the pain to stop The winners actively seek and practice a new way of living The losers wait until they are in so much pain that the choice becomes obvious and then they choose to participate only enough to get the pain to stop
