,1908 *Drum Circle Spirit* Arthur Hull,1998 Percussionist Arthur Hull has used drum circles to build team spirit among managers at Motorola to ease tensions between rival street gangs and to improve communication in Wall Street investment firms He led a rhythm event in Red Square in Moscow the first celebration other than a military one there in many years His appearances with major musical figures such as Babatunde Olatunji and Mickey Hart and his forthcoming appearances on major media will propel *Drum Circle Spirit* forward as a leading self help spirituality and New Age title *The Publishers Weekly* , *Drumming at the Edge of Magic* Mickey Hart,Jay Stevens,Fredric Lieberman,1990 Details a ten year period during which Mickey Hart drummer for the Grateful Dead dedicated his life to an intense study of the origins myths history and spiritual heritage of drums and other percussion instruments Includes photographs of some of the many instruments he discusses and information on other aspects of his life **The Church Invisible** ,1931 *Divination and the Shamanic Story* Michael Berman,2008 Stories have traditionally been classified as epics myths sagas legends folk tales fairy tales parables or fables However the definitions of the terms have a tendency to overlap making it difficult to classify and categorize material For this reason a case can be made for the introduction of a new genre termed the shamanic story a story that has either been based on or inspired by a shamanic journey a numinous experience in non ordinary reality or one that contains a number of the elements typical of such a journey Other characteristics include the way in which the stories all tend to contain embedded texts often the account of the shamanic journey itself how the number of actors is clearly limited as one would expect in subjective accounts of what can be regarded as inner journeys and how the stories tend to be used for

healing purposes Within this new genre it is proposed that there exists a sub genre shamanic stories that deal specifically with divination and examples are presented and analysed to support this hypothesis By means of textual analysis it can be shown they all share certain attributes in common the identification of which forms the conclusion of the work **The West Shore** ,1887 **The Two Worlds** ,1928 Country Guide ,1928 Country Guide and Nor'west Farmer ,1928
